

**MICROPOINT SA**

***Now you can afford IT***

---

To all our valued customers.

Micropoint SA will re-open from the 2nd of May (Saturday) onwards. However, as for what we can sell will be according to government regulations. We highly encourage our customers to use our online store <https://www.micropointsa.co.za> to place orders and only come to Micropoint SA for collection. This is to encourage social distancing and to keep everyone safe.

For our online store, you will have to register online to be able to view dealer pricing. The default pricing displayed on our online store, if not logged in, is retail pricing including VAT.

If you have any difficulties regarding registration, please send an email to the relevant branch. For the Johannesburg branch, please email [midrand@micropointsa.co.za](mailto:midrand@micropointsa.co.za) and for the Cape Town branch please email [capetown@micropointsa.co.za](mailto:capetown@micropointsa.co.za)

Alternatively, you can send your orders to your sales rep via email. If you are sending an order request via email, please include the item number, description and quantity, as this will help us avoid unnecessary confusion.

We highly encourage all our customers to pay via EFT before collection. If you are unable to pay via EFT, you will be able to pay with a credit or debit card at the branch.

As per government regulations, we will take the necessary precautions to safeguard our customers and staff during this period.

We thank you for your cooperation.

Regards,

Micropoint SA
